

- Zero Leakage Rotary Shut Off Valves
- Fast Acting Check Valves
- Combined Function Valves

ATOMAC

- Teflon Lined Ball, Check & Sampling Valves

AUTOMAX

- Pneumatic, Hydraulic, Electric Actuators Up to 2.2M inch lbs

DURCO

- Plug, High Performance Butterfly, Noble Alloy Rotary Control Valves

WORCESTER CONTROLS

- Ball Valves for on/off & Proportional Control
- Pneumatic & Electric Actuators

- PTFE, PFA, ETFE, PVDF, ECTFE, P.P. & P.E. Plastic Lined Piping Systems & Accessories

- Resilient Seated & High Performance Butterfly Valves

- Heat Tracing Systems
- Heating Cables
- Thermostats & Controls

- Electric Actuators & Controls 300 - 1,130,000 in-lbs

- Solenoid Valves and Accessories

- Lined Butterfly & Ball Valves
- Resilient Seated Butterfly Valves 1" thru 128"

- Expansion Joints
- Teflon Lined Dip Tubes
- Sightglasses

- PBV Trunnion & Floating Ball Valves
- DSI-C/S Forged Steel Gate Valves
- Quadrant Ball Valves
- Globe & Check Valves
- Pressure Seal up to Class 2500# Valves

- Liquid Level / Mag Level Gauges
- Sight Flow Indicators

- Gates, Globes, Checks Balls & Strainers

- ASME Pressure Safety Valves
- API 526 Valves
- High Purity Valves
- Pilot Operated Valves

- Flame Arresters & Conservation Vents

Safety is for life.™

- Explosion Protection and Rupture Discs

- Valve Monitoring Systems

- Steam Traps, Air Vents Regulators & Moisture Separators & Non-Electric Condensate Pumps

- Pneumatic & Electro-Pneumatic Positions & Accessories

- Knife Gate Valves for Slurry Service

- High Performance Metal Seated Ball Valves

- Resilient Seated High Performance Butterfly Valves

- Strainers

- Globe & Rotary Control Valves Pressure & Flow Controllers

PROMATION ENGINEERING

- On/Off & Modulating Electric Actuators

PUREFLEX

- Composite Ball & Teflon Lined Butterfly Valve

PUREFLEX HOSE

- Teflon Hose Assemblies Task Line Gasket & Grounding Paddles

Services & Capabilities

- Control valve and pressure safety valve sizing
- Valve & actuator repair
- Valve modification to customer specifications
- Fully staffed machining center
- Pre-fabrication of all types of corrosion-resistant piping
- Steam system assessment including certified steam trap testing & reporting
